Lecture Series  
**Cultural Heritage  
in the Digital Age**  
Spring Semester 2023

# About the Lecture Series

Digital technologies and data are shaping our lives; this (mega-)trend will continue and intensify in the near future. It also includes cultural heritage, its current expansion, and future use. We discuss these topics with experts from different fields, and disciplines in a series of lectures to create awareness and identify challenges.

## Program

**April 18, 2023** Alain Dufaux (EPF Lausanne)  
**18.15 – 19.45** **The Montreux Jazz Digital Project. From digitization and archiving to a research and innovation platform**
