Lecture Series
**Cultural Heritage
in the Digital Age**
Fall Semester 2023

About the Lecture Series

Digital technologies and data are shaping our lives; this (mega-)trend will continue and intensify in the near future. It also includes cultural heritage, its current expansion, and future use. We discuss these topics with experts from different fields, and disciplines in a series of lectures to create awareness and identify challenges.

Program

October 24, 2023

18.15–20.00

Bruno Jehle (BJ Institute)

Rechte am kulturellen Erbe im Zeitalter von KI
